BNA Annual Meeting

Thursday, September 27th is the Annual Meeting of the Bottineau Neighborhood Association. Please join the Board of Directors for an evening of food and entertainment and updates on major infrastructure developments affecting the neighborhood.

Two of the major projects coming our way include the replacement of the Lowry Avenue Bridge and bicycling improvements. Isabelle Harder will provide an update on the work she has done as the neighborhood representative on the Project Advisory Committee (PAC) including dates of upcoming meetings and proposed timelines. Tim Kremer will provide updates on the planned 18th Avenue Bike Path and other bicycling improvements that will be planned for 22nd Ave. The BNA Board will also present their Annual Report.

Other items to be discussed include the long time coming neighborhood zoning/land use study and some proposed projects to be funded with neighborhood NRP funding.

Lastly nominations will be taken for two Board of Directors seats whose terms are expiring this year. Elections will take place through a return mail ballot and winners will be announced at the neighborhood meeting on October 25th. BNA Board terms are three years. See article on page three about what it takes to be a Board Member.

Lowry Bridge Input

Hennepin County is still seeking community input about the Lowry Avenue Bridge replacement. The County and the consultants have created a survey with about a dozen questions to gather feedback on what the community feels is important about the bridge, how its used and what should be considered in making decisions about what the new bridge will be like. There are several options for you to complete the survey. You can 1) call BNA and leave your name and address and we will mail you a paper copy you can fill out and return to the County, 2) download the survey from www.lowryavenuebridge.com or, 3) fill out an online version of the survey at www.bottineauneighborhood.org

The County will be taking comments until about the end of this month. There will be another open house later this fall/winter. Stay tuned for more details.

October is Choose To Reuse Month in Hennepin County

Every year, 32 million pounds of usable items are thrown away in Hennepin County. Residents can Choose to Reuse and help reduce the volume of waste thrown away by supporting businesses and organizations in our community that provide opportunities to rent, repair, resell, consign, trade, sell bulk and exchange used goods. Residents can save money, help reduce waste, and support the local economy by thinking about reuse when shopping. Helping the environment has never been so much fun! In an effort to encourage more reuse, Hennepin County will host the sixth annual Choose To Reuse program. The county has partnered with 80 businesses and organizations including City Salvage & Antiques Inc., PPL Shop, East Side Food Coop, Rewind, and Silver Angel Thrift Store all located in NE Minneapolis to offer discounts. Other nearby and popular shops include Goodwill Stores, Plato's Closet, Play It Again Sports and many more. Customers may pick up a "Save Cash, Save the Planet! Get Great Stuff" Choose To Reuse Month Coupon Book at participating locations, Hennepin County Services Centers and Libraries, and all Three Rivers Park District locations, or download a copy at www.hennepin.us, search "Choose To Reuse Month."

For more information on Choose To Reuse Month, visit Hennepin County Environmental Services web site at www.hennepin.us, search "Choose To Reuse Month" or call 612-348-3777.

There are several ways of looking at this. On one hand all you have to do is live, own property or work in the neighborhood to meet the requirements for being a member of the Board of Directors of the Bottineau Neighborhood Association. On another hand, anyone who cares about their neighborhood and is willing to devote some time and effort to making it better makes an effective Board member. And on yet another hand, anyone who can commit to three simple duties can be a great Board Member. According to the MN Secretary of State, these duties are:

Duty of care

The duty of care describes the level of competence that is expected of a board member, and is commonly expressed as the duty of "care that an ordinarily prudent person would exercise in a like position and under similar circumstances." This means that a board member owes the duty to exercise reasonable care when he or she makes a decision as a steward of the organization.

Duty of loyalty

The duty of loyalty is a standard of faithfulness; a board member must give undivided allegiance when making decisions affecting the organization. This means that a board member can never use information obtained as a member for personal gain, but must act in the best interests of the organization.

Duty of obedience

The duty of obedience requires board members to be faithful to the organization's mission. They are not permitted to act in a way that is inconsistent with the central goals of the organization. A basis for this rule lies in the public's trust that the organization will manage donated funds to fulfill the organization's mission.

It's all really quite easy. Consider becoming more involved.
